REQUEST FOR PROPOSALS FOR TITLE II FORMULA GRANT NATIVE AMERICAN PROGRAM

The Corrections Standards Authority (CSA) is pleased to announce the release of the federal Title II Formula Grant Native American Program Request for Proposal (RFP). Funds made available through this program are to specifically support Native American Tribes in delinquency prevention/intervention efforts designed to curb juvenile crime and delinquency. The grants available through this RFP are for a 12-month period scheduled to begin October 1, 2007. There is a possibility of funding for two additional years if Congress appropriates the funds and the project has demonstrated its effectiveness. Funding is limited and if all applicants request the total amount available, only one project will be funded.

The application and instructions for this competitive RFP are posted on the CSA's website (www.cdcr.ca.gov/DivisionsBoards/CSA/index.html). Only federally recognized tribal governments, performing law enforcement functions are eligible to apply for Title II Formula Grant funds.

Proposals are due to the CSA on or before May 25, 2007. As explained in the RFP, CSA staff will conduct an RFP Applicants' Workshop in Sacramento on April 24, 2007.

Should you have any questions about the RFP, please contact Connie Lucero at 916-341-7392 (connie.lucero@cdcr.ca.gov) at CSA.

We encourage you to consider this funding opportunity, and we look forward to working with all prospective applicants.

Respectfully Submitted,

C. SCOTT HARRIS JR.
